

ἔσχατος ἐχθρὸς καταργεῖται
(the) last enemy being abolished

ὁ θάνατος, πάντα γὰρ ὑπέταξεν
the death all (things) for he has subjected

ὑπὸ τοὺς πόδας αὐτοῦ
under the feet of him

*The last **enemy** that will be abolished is **death**, because he has put all things in subjection under his feet [Ps 8:6].*
