

Οὕτως γὰρ ἠγάπησεν ὁ θεὸς τὸν κόσμον ὥστε  
to such extent because loved the Elohim the world that  
τὸν υἱὸν τὸν μονογενῆ ἔδωκεν,  
the son the only kindred he gave  
ἵνα πᾶς ὁ πιστεύων εἰς αὐτὸν μὴ ἀπόληται  
so that anyone the holding faithful into him may not perish  
ἀλλὰ ἔχη ζωὴν αἰώνιον  
but may have life of age

*Because the Almighty to such an extent loved the world that  
he gave his only kindred son,  
that anyone holding faithful to him may not perish,  
but may have life everlasting.*
